Information notice pursuant to Art. 13 Regulation (EU) 2016/679 (GDPR) and Art. 130, co. 4, D.Lgs. 196/2003

WHY THIS INFORMATION

Pursuant to the Regulation (EU) 2016/679 (hereinafter "GDPR"), this page describes how 3V Tech Spa handles personal data of this website users. This is an information notice that is provided in accordance with Article 13 GDPR. The information does not apply to other third party websites that may be consulted through links on this website, for which no responsibility is accepted.

Personal data processed

Personal data: any information relating to an identified or identifiable natural person ("data subject"); an identifiable person is a data subject who can be identified, directly or indirectly, by reference in particular to an identifier such as a name, an identification number, location data, an online identifier, or to one or more features of his or her physical, physiological, genetic, mental, economic, cultural or social identity (C26, C27, C30 GDPR).

Browsing data

The computer systems and software procedures used to operate this website acquire, in the course of their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This information is not collected to be associated with identified interested parties, but by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of the computers used by users who connect to the site, URI (Uniform Resource Identifier) notation addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters related to the user's operating system and computer environment.

Data communicated by the interested party

The optional, explicit and voluntary sending of messages to the contact addresses indicated on this site and/or the filling in of data collection forms entails the subsequent acquisition of the sender's address, necessary to respond to requests and to finalize your purchases as well as any other personal data entered.

Specific disclosures

Specific disclosures will be present on the pages of the site in relation to particular services or data processing provided.
